Subject: resignation

Commissioners,

I was provided an advanced copy of the report by Mr. Townsend last night regarding commissioners that have broken LSPC rules. It affirms what I have previously stated, but also suggests that, although violations were in another term, they are violations none the less and still pertain to duty.

Given this information, I think it proper to tender my resignation. Attached, please find a letter to the governor regarding such.

It has been a true pleasure to serve on this Commission for the past six years. I have had the privilege to work with outstanding commissioners and staff over that time. Most importantly - The Louisiana State Police - troopers and command, are some of the best individuals that I have ever had the privilege to be associated. Their mission is sacrifice, and it is my hope and prayer that those moving forward on this board do all they can to continue to assist and protect them.

With kindest regards,

Franklin Kyle

Re: Louisiana State Police Commission

Governor:

I hereby would like to submit my resignation from the Louisiana State Police Commission, effective immediately. The LSPC does outstanding work for the Louisiana State Police, and I am confident that it will continue doing so after my tenure.

It has a pleasure serving the State of Louisiana on this commission, and I certainly appreciate the opportunity afforded.

With regards,

Franklin Kyle, III
