

The Mueller investigation: one year in

Special investigations since 1973 that resulted in charges, by number of indictments and guilty pleas per week, as of May 17, 2018

INDICTMENTS AND PLEAS

* Indictments occurring before the official investigation started are not shown.

Some defendants were indicted and later pleaded guilty, and some defendants were initially charged with one set of crimes and then indicted again on other charges. In both cases, only the first indictments or charges are included. Indictments of businesses are excluded.
